## **MEDICAL AGREEMENTS**

All health and accident expenses will be covered by each family's medical insurance. Parents are responsible for providing proof of medical insurance for their children. If a provider does not accept your family's insurance, it is your obligation to pay the costs of the medical service. Please provide insurance information.

- Glasses: Please send a second set of glasses with each camper. Also, please make sure to indicate that he or she wears glasses or contacts on the registration form.
- Special dietary needs: If your child has any other special dietary needs, please let the camp office know now so we can work out a plan.
- Contagious disease: Please advise camp of any contact your child has had with any contagious disease 72 hours prior to camp start date. If your child has a cough, cold, rash, fever, lice, conjunctivitis/pink eye, or any throat problem in the days before camp begins, please contact us so we can make a plan for when they can join us in good health!
- Head lice: When campers arrive at camp, our medical staff or a lice service checks them for lice and nits. If any are found, we hire a lice treatment service to come to camp and treat the camper and his or her belongings on-site. We ask parents to reimburse us for the cost of this service (\$250).
- Sick campers: If your camper is feeling under the weather at camp, he or she will receive comforting and professional care. Our Health Center is staffed 24 hours a day by medical professionals. They are supported by a team of local doctors if specialists are needed. The camp is a few minutes from a complete network of health care providers and roughly 5 minutes from a major hospital.
- Health Center: Camp Grace Health Center is a warm, welcoming environment that's centrally located. Our medical staff live in the Health Center and are right there when campers call.
- When do we call home? We err on the side of contacting parents. We will always call to inform parents if: a camper has been in the Health Center overnight; a camper has been placed on prescription medication, or a camper has been taken out of camp for medical care. Parents will not be notified if a child spends less than 24 hours in the Health Center or receives a routine diagnosis and treatment, which could include a cut, bug bite, sore throat, or headache.
- Camper health and safety orientation: All campers will receive a health and safety orientation at the start of camp, which covers topics including daily hygiene and handwashing, food safety, Lyme disease prevention, poison ivy identification, appropriate behavior and relationships, safety rules, and what to do in the event of an illness or injury.

## **TERMS & CONDITIONS**

### **Cancellation/Refund Policy**

If a session is canceled by Camp Grace, the full fee will be refunded. Campers may withdraw from the program up to 45 days in advance and will be given a full refund. Cancellations made after 45 days prior to the start date, will not be entitled to a refund. Any payments made (deposit or full payments) after this time will not be refunded.

### **Prohibited Behaviors**

Campers are suspended from camp if they bring any of the following items: vape pens, drugs, tobacco, alcohol, firecrackers, weapons, or other dangerous instruments. Campers may also be sent home if they are out of their cabin at night, have preexisting behavioral or medical conditions that were not communicated to camp, or engage in criminal or sexual behavior. Inappropriate language is not tolerated. Within the camp's discretion, a camper who is suspended may be allowed back in a subsequent session.

### **Food**

Please do not bring or send candy, gum, or other foods to camp. Some members of our community have severe food allergies, so this rule is strictly enforced.

### **Calls Home**

The camp policy regarding campers calling home is based on the understanding that phone calls can be the most challenging form of contact for campers. Our camp environment is a happy, self-contained community. Phone calls often create a sudden intrusion causing campers to experience feelings that override the good intentions that motivated the phone call. Hearing a parent's voice can be difficult even for a well-adjusted camper. So, we do not encourage phone calls. \*Unless a call has been scheduled by parents, campers are not allowed to call home. \*You can always call the office to check in on how your camper is doing, and our unit heads are always available to update you about your camper's progress.

### **Electronic Devices**

Driving into camp, you will notice a sign that reflects our aspiration for campers: "At Camp Grace, we unplug so we can really connect." To this end, we are a screen-free camp, and devices with screens are strictly prohibited. This includes phones, tablets, kindles, iPods, cameras, handheld game systems, and all other devices with screens. Any camper using a cell phone (or a device to access the internet) will have the device confiscated and returned after camp. If there is a second violation, the camper will be suspended for a day. Parents will be required to pick up and return the camper at their parents' expense.

### **Photography**

We have photographers who takes countless pictures throughout the camp experience to capture all the memories. We will email them in a gallery to all registrants. For privacy reasons and to avoid any photography in the bunks we do not allow campers to bring cameras to camp.

### **Bullying**

We strive to protect every member of the Rise Up Stage Camp community from bullying. In addition to creating a culture of kindness, Rise Up Stage Camp has a three-strike policy for bullying behavior. For the first incident, the offending camper will participate in a meeting with camp leadership staff. If there is a

second incident, the camper's parents will be notified. If there is a third incident, the camper will be sent home.

### **Valuables and Money**

Valuables: Please do not let your child bring any valuables to camp. If you would be upset if a particular item is lost or broken, the item should stay at home.

### **Supervision**

Each camper must be in the range of sight or hearing of a staff member at all times. Our top priority is keeping campers safe and healthy, followed closely by ensuring they have a fun, friendship-filled, and memorable summer.

### **Dress Code**

Our dress code helps maintain a safe and comfortable environment. We reserve the right to ask anyone to change if deemed necessary by the camp staff. Footwear: During the day, campers are required to wear socks and closed-toed sneakers. This prevents injury and enables campers to move freely around the camp. Campers may wear sandals to evening events. Tops and Bottoms: Clothing should not contain inappropriate slogans or images. We do not permit revealing clothing for boys or girls, including visible bra-straps, see-through clothing, crop tops with tummies showing, etc. Sunblock: Sunblock is part of our dress code – you aren't fully dressed without it!

### **Camp Property**

Anyone who intentionally damages or defaces camp property is liable for such damage, and families will be charged accordingly. This includes writing names on cabins or beds.

### **Privacy**

To protect each camper's privacy, campers are only permitted in their own bunks. Under no circumstances may boys or girls enter the opposite gender's bunk. Campers may not bring cameras or take photographs in bunks, bathrooms, or other private areas.
