

NATIVE AMERICAN SUMMER ENRICHMENT CAMPS

Since 1953, Camp Grace has been the premier location for summer youth camps. This year we are hosting a Native American Enrichment Camp to create the most innovative and adventurous camps in Arizona. We use several experiential adventure activities to bring out their innate traits and personality while coaching them to reach their highest potential.

This program along with the collaborating partners will also provide excellent opportunities for Native youth to develop leadership skills from traditional teachings for problem solving, and critical thinking skills and provide additional life skills training as they lead students in adventure and enrichment activities. This camp is at no cost to the participants.

Life Skills Training:

- Leadership development
- Financial literacy
- Time management
- Communication

Traditional Teachings:

- Moccasin
